Snug Village proudly provides high-quality residential care for up to 76 residents, including one dedicated respite room. Nestled close to the beach and surrounded by the warmth of the vibrant Snug community, our home offers a welcoming, peaceful and supportive environment where residents are encouraged to live with dignity, comfort, and connection.

Each resident enjoys the privacy of their own well-appointed room with an ensuite bathroom, creating a personal space that feels safe, comfortable, and truly their own. The home is fully air-conditioned, with individually controlled heating and cooling in every room, while large windows fill each space with natural light and offer pleasant outlooks that enhance residents' wellbeing.

We encourage residents to personalise their rooms with cherished furniture, family photographs, artwork, and treasured keepsakes, helping to create a familiar and comforting home from the day they move in. At Snug Village, we are known for our caring team, strong community connections, and welcoming atmosphere, where residents, families, volunteers, and staff come together to create a genuine sense of belonging.
